FAREWELL TO REV. E. R. LEWIS

INFORMAL GATHERING IN TAB-ERNACLE CHURCH.

The Well-Known Clergyman Will Sail Tomorrow for a Sojourn in Wales-Another Illustration of the Need of a Vinduct-House and Lot for a Public Marriage Ceremony. Forty Hours' Devotion at Holy Cross Church-Twentieth Century Movement-General News Notes.

Many life-long friends of Rev. E. R. Lewis assembled in the Tabernacle Congregational church last evening to bid bim farewell on his departure for Wales. The gathering was an informal affair, but proved to be interesting and enjoyable. All of the addresses were of a nature calculated to insure Rev. Lewis a safe journey

and return. William J. Morris, of the First Welsh Baptist church, was chairman of the meeting, and made a few remarks. Letters of regret were read from Colonel E. H. Ripple, who was unable to be present, and Rev. T. L. L. Evans, of Gomer, Ohlo. An original poem, dedicated to Rev. Lewis, was read by Rev. D. C. Phillips. Others who spoke were David Vaughn, Richard Thomas, William E. Reese, Rev. D. P. Jones, Mayor Moir, John B. Jones, Rev. E. A. Boyl, John J. Howell and Rev. Lewis.

Rev. Lewis has been a resident of Scranton for over forty years and is one of the best-known Welsh preachers in America. He will sail at noon tomorrow afternoon from New York on the Majestic, and will spend several months in Wales.

Another Narrow Escape.

Shortly after Mayor Moir signed the viaduot ordinance on Saturday, a startling illustration of the necessity for this public improvement was furnished at the West Lackawanna avenue crossing of the Delaware, Lackawanna and Western railroad, when a street car became stalled on the north-bound

The conductor had gone on ahead of the car to see if the crossing was clear, and had signalled the motorman to go ahead. Just as the car struck the north-bound track the trolley slipped from the overhead wire and left the car powerless in the middle of the crossing.

o'clock, going north, was heard coming up the track. Several flagmen rushed down towards the bridge and succeeded in having the train stopped before It reached the crossing, thus averting serious accident. The trolley was readjusted and the train went on.

Five passengers were on the car at the time, and as soon as they realized their danger, made their escape in safety. But for the timely action of the men who flagged the train, there is no telling what the result would have

The Black Dress Goods Department At the Globe Warehouse

Has often formed the topic of conversation among Dress Goods experts miles and miles away from Scranton, because of the completeness, variety and extent of the stock carried within its limits. Outsiders cannot understand why a stock of such magnitude should be carried in a city like Scranton, when stores with much greater pretensions than ours in New York, Philadelphia, Pittsburg, Chicago, etc., get along with half the assortment we offer our patrons.

The "Whys" Regarding This Fact

Are not worth discussing, however, for while we are proud of the distinction of having one of the most complete Black Dress Goods Departments in the country, we have no thought of becoming vain-gloriously boastful about it. Indeed, all we care for is to impress this one fact upon the people from whom we look for patronage viz.:

If Black Dress Goods Are Wanted And the Weave or Design Sought for Is Not Antiquated, We Have It at Its Best

And at a lower figure than it can probably be bought for elsewhere. It will be found in our Black Dress Goods Department as soon as it makes its appearance on the market. We do not wait to see whether the new style will take or not. Experience has taught us to solve that problem at a glance, consequently we

These facts are not easily grasped and taken at their true value by the mere reading of an advertise. ment, but if it should happen that you are not familiar with our Black Dress Goods Department, favor us with a call at an early date, if for no other purpose than to look it over. After that you'll be as firmly convinced as we are of the truth of our statements.

DUNMORE DOINGS.

Theodore L. Purcell Dies as the Ro sult of a Blow Received from an Unknown Man.

Theodore L. Purcell, the nineteenyear-old son of W. J. Purcell, of Drinker street, died at his home at 4 o'clock yesterday morning. His death is the direct result of injuries received by him while pursuing his duties as a driver for the Sunny Side Dairy company. On the morning of November 5, at about 3 o'clock in the morning, he noticed a man standing near his horse's head.

As he stepped upon the step of his wagon this man hurled either a sandbag or a heavy stone at him, which a large crowd will no doubt be presstruck him squarely in the stomach, partially disabing him. He managed, in his weakened condition, to fire three | fit will be held in Workingmen's hall, shots at his assailant from a revolver he carried, evidently without effect. Hemorrhages began almost immediately and continued since, with the exception of a few days previous to last Thursday, when they began again and continued until death relieved him from his suffering.

A post-mortem examination was made vesterday morning by Drs. Bernstein, Garvey, Gunster and Thompson, who found that death was the result of the rupture of a large blood vessel in the stomach.

He was a young man much thought of by his employers and those who knew him best. To these his death in such a sad manner comes as a great shock at this time, as the fact of his serious iliness was not generally

He was an only son, which fact makes the grief of his parents much harder to bear. He was a member of Episcopal church. The funeral will be held in the Methodist Episcopal church on Wednesday afternoon at 2 o'clock. Interment will be made in the Dunmore cemetery.

Revival Services.

The first services of the union revival by being caught under a car at the neetings were held in the Dudley Street Baptist church last night. The house was crowded and everybody came, it seemed, with the intention of having a spiritual feast. The Rev. W. F. Gibbons, of the Dunmore Presbyterian church, preached an excellent sermon on "What He Says Unto You, That Do."

Mr. Gibbons spoke very effectively, and the audience appreciated what he said. He insisted that we must obey what Christ commanded us, filled with faith and hope and love. No half-hearted service would be satisfactory to our God or His Son. There was a most excellent spirit manifested in the meeting. The Rev. Mr. Kramer sang a very lovely solo at the close, and many arose, asking prayers for their friends.

The services this evening will be held in the Tripp Avenue Christian church, and the Rev. Mr. Kreamer, of the Baptist church, will preach. His topic will be "A Visit from Jesus," All Christian people are invited to come and bring their unconverted friends. Candor in Business Is Commendable

We do not believe that the intelligent plano buying public wants to be humbugged, nor that it can be for any length of time. Facts, unquestionable facts, are good enough for us. We lost the sale of a plane the other day because we could not allow within seventy-five dollars as much for an old square piano as our competitor did. We subsequently learned that the parties paid \$450.00 for a piano the duplicate of one sold a few weeks previously to a party, who had no square plano to

trade, for \$275.00 We allow cash value for old instruments and no more: but the prices of our pianos do not expand the moment you mention organ or square plane.
